From: Heather Hebdon, Executive Director
Date: August 12, 2026
Subject: Candidate POFD Compliance Under AS 39.5.060 and 2 AAC 50.850
Timothy Hickel

BACKGROUND

Pursuant to 2 AAC 50.850(h), staff shall prepare a list of each candidate for state . . . elective office who has not filed a complete [Public Official Financial] disclosure statement required under AS 39.50.020 and 39.50.030.” Staff will then provide notice of a meeting where the commission will consider the list.¹ “If the commission determines that a listed candidate has failed to supply required information on a significant source of income, interest in real property, business interest, loan, or trust, the commission will recommend . . . that the lieutenant governor . . . not certify the candidate’s nomination for office or election to office”²

In *Grimm v. Wagoner*, the Alaska Supreme Court noted, “substantial compliance is the appropriate standard for imposing the forfeiture remedy of AS 39.50.060(b).”³ Staff believes the question before the Commission is whether filing a disclosure without any income, interest in real property, business interests, loans, or debts and without evidence suggesting the existence of such, constitutes substantial compliance for purposes of avoiding the forfeiture remedy.

APOC staff have not, in recent memory, compiled a list of filers without a complete financial disclosure as contemplated by 2 AAC 50.850(h). As with two other filers before the Commission relating to 2 AAC 50.850(h), staff did not identify the filers before the withdrawal deadline for this primary election. It is unclear whether this is the first time there have been obvious deficiencies in that a blank statement was submitted or rather, if it is the first time the issue has garnered public

scrutiny and been brought forward. In any event, despite the lack of recent precedent, staff is referring these candidates, whose POFD statements do not substantially comply with their reporting requirements, to the Commission and is recommending that the Commission consider whether to recommend that the Lieutenant Governor not certify the nomination of any of these candidates. Staff notes that the Division of Elections plans to certify the results of the primary election by August 31, 2026.⁴

FACTS

Timothy Hickel is a candidate for Lieutenant Governor in the August 18, 2026 State Primary Election. Staff identified Mr. Hickel as having failed to file a complete disclosure statement as required under AS 39.50.020 and 39.50.030. The basis for this determination is that Mr. Hickel's POFD statement does not list any business or financial interests, income, or debt. While staff notes that it is remotely possible for someone to have no reportable interests, it is extremely unlikely. Staff recommends that the Commission consider whether Mr. Hickel failed to disclose a significant source of income, interest in real property, business interest, loan, or trust, and whether the Lieutenant Governor should deny his nomination in the primary election.

On June 1, 2026, Mr. Hickel filed a 2026 Candidate POFD Statement.⁵ On July 15, 2026, staff issued a notice of deficiency to Mr. Hickel, at his address of record, notifying him that his statement disclosed no income or business or financial interests and requested he either update his statement or contact staff to confirm its accuracy.⁶ The notice further informed him that failure to comply could result in the Commission recommending to the Lieutenant Governor that his nomination not be certified.⁷ Mr. Hickel did not respond, nor did he update his statement. Staff notes that Mr. Hickel appears to be an inexperienced filer, as has not filed any prior statements. Nevertheless, this does not excuse his not providing required financial information.

On August 12, 2026, staff issued a meeting notice to Mr. Hickel and advised that the Commission would take up this matter at the hearing on August 26, 2026. This notice was sent to Mr. Hickel via email, certified mail, and first class mail to all addresses on file with APOC, and the Division of Elections.

Re: 2026 Candidate Public Official Financial Disclosure (POFD) Statement

Dear Mr. Hickel:

Our office has recently reviewed your 2026 Candidate POFD Statement filed on May 22, 2026. Your statement discloses no income and no business or financial interests for you or your dependent children, at all, for calendar year 2025.

Under [AS 39.50.030](#), a candidate must file a statement disclosing their sources of income and personal business and financial interests for the previous calendar year. The statement must be an accurate representation of your financial affairs and must disclose the same information for your spouse and dependent children, to the extent that it is ascertainable.

Failure to comply with Alaska's financial disclosure laws may result in civil penalties.¹ You may also be subject to criminal penalties under [AS 39.50.060\(a\)](#) if it can be shown that you "fail[ed] to disclose required information within the time required in this chapter, or [. . .] provide[d] false or misleading information, knowing it to be false or misleading." Additionally, pursuant to [2 AAC 50.850\(h\)](#), if the Alaska Public Offices Commission finds that you have "failed to supply required information on a significant source of income, interest in real property, business interest, loan, or trust," the Commission may recommend to the Lieutenant Governor that your name be removed from the ballot or that your nomination not be certified.

To avoid formal Commission action, you must update your POFD statement to include all reportable information for you and your dependent children for calendar year 2025 no later than 5:00 p.m., July 22, 2026. If you have no reportable income, or business or financial interests, please confirm this by contacting our office.

APOC staff have not, in recent memory, compiled a list of filers without a complete financial disclosure as contemplated by 2 AAC 50.850(h). As with two other filers before the Commission relating to 2 AAC 50.850(h), staff did not identify the filers before the withdrawal deadline for

this primary election. It is unclear whether this is the first time there have been obvious deficiencies in that a blank statement was submitted or rather, if it is the first time the issue has garnered public scrutiny and been brought forward. In any event, despite the lack of recent precedent, staff is referring these candidates, whose POFDs do not, or did not timely substantially comply with their reporting requirements, to the Commission and is recommending that the Commission consider whether to recommend that the Lieutenant Governor not certify the nomination of any of these candidates. Staff notes that the Division of Elections plans to certify the results of the primary election by August 31, 2026.⁴

FACTS

Jose Tagle is a candidate for State Representative for District 22 in the August 18, 2026 State Primary Election. Staff identified Mr. Tagle as having failed to timely file a complete disclosure statement as required by AS 39.50.020 and AS 39.50.030. The basis for this determination is that Mr. Tagle's POFD did not timely disclose information about his financial interests or income. Staff recommends that the Commission consider whether Mr. Tagle failed to disclose a significant source of income or business interest and whether the Lieutenant Governor should deny his nomination in the primary election.

On June 1, 2026, Mr. Tagle filed a 2026 Candidate POFD Statement.⁵ The POFD did not disclose income for himself, his spouse, or his dependents, nor did it disclose any other business or financial interests.

On June 5, 2026, the Alaska Democratic Party filed a complaint with the Division of Elections alleging that Mr. Tagle did not file a complete POFD statement at the time he filed to run for office.⁶ On June 19, 2026, the Division of Elections denied the complaint, determining that it lacked jurisdiction.⁷ A copy of their decision was sent via letter to Mr. Tagle at the mailing address on file.

On July 8, 2026, APOC staff sent an email to Mr. Tagle notifying him of identified inaccuracies on his POFD and requesting that he amend his statement.⁸ Mr. Tagle did not respond, nor did he update his statement. On July 15, 2026, staff issued a notice of deficiency to Mr. Tagle, to his address of record with APOC and the addresses of record for Stardust, LLC and Alarcon and Associates, LLC, notifying him that his statement disclosed no income or

⁶ Exhibit 1, Division of Elections Complaint The Alaska Democratic Party provided information from the State's Corporations Database showing that Mr. Tagle has a 40% interest in Stardust LLC, and is the LLC's Director and President. Staff's search of the same database revealed that Mr. Tagle owned Alarcon and Associates LLC which itself had a 30% interest in Stardust LLC. Mr. Tagle's total interest in Stardust LLC is thus 70%. None of these interests were included in his initially filed POFD.

business or financial interests and requested he either update his statement or contact staff to confirm its accuracy.⁹ The notice further informed him that failure to comply could result in the Commission recommending to the Lieutenant Governor that his nomination not be certified.¹⁰

On July 23, 2026, the notice sent via certified mail was returned noting the address did not exist. A typo in the address was discovered, and staff reissued the notice to his corrected address of record with APOC, as well as addresses associated with businesses he is associated with the same day.¹¹

On August 6, 2026, the Alaska Democratic Party filed a complaint with APOC alleging that Mr. Tagle had failed to include financial interests in his POFD statement.¹²

On August 8, Mr. Tagle amended his statement.¹³ In the amendment description, he wrote, “When initially filed, there was a glitch in all my saved history was not submitted.”

On August 12, 2026, staff issued a meeting notice to Mr. Tagle and advised that the Commission would take up this matter at the hearing on August 26, 2026. This notice was sent to Mr. Tagle via email, certified mail, and first class mail to all addresses of record with APOC and the Division of Elections, and addresses associated with the businesses in which he has an interest.

Additionally, staff notes that Mr. Tagle is not a completely inexperienced filer. Mr. Tagle appears to have filed his first POFD statement in 2020.¹⁴ On his 2020 statement, he included his PFD, that he worked for Alarcon and Associates, LLC, and that he owed child support. A search of the State’s LLC database reveals that Alarcon Holdings, LLC owned Alarcon and Associates, LLC, and that Mr. Tagle owned Alarcon Holdings, LLC.

Re: Candidate Eligibility Complaint - Jose Roel Antonio Tagle, House
District 22

To whom it may concern:

This complaint is hereby submitted on behalf of the Alaska Democratic Party to formally request that House District 22 candidate Jose Roel Antonio Tagle be removed from the ballot for knowingly failing to comply with Alaska's Public Official Financial Disclosure Act. Pursuant to AS 39.50.060, Mr. Tagle is ineligible for nomination and installment in office and should not have been certified as a candidate.

Mr. Tagle filed a POFD form listing no income, business interests, loans or debts, leases, close economic associations, or lobbyist partner employers. AS 39.50.020 requires candidates for state office to "file a statement giving income sources and business interests, under oath and on penalty of perjury . . . at the time of filing a declaration of candidacy or a nominating petition or becoming a candidate by any other means." AS 39.50.060 not only makes knowing failure to comply with AS 39.50.020 a misdemeanor offense; the statute also disqualifies a noncompliant candidate from being nominated or installed in office. Upon information and belief, Mr. Tagle, who listed two dependent children and a spouse on his POFD form, has business interests and income that he did not report, including an interest in Stardust Limited Liability Corporation.

Alaska Democratic Party
Attn: Jenny-Marie Stryker
PO Box 240207
Anchorage, AK 99524

Dear Ms. Stryker,

The Division of Elections (DOE) received the Alaska Democratic Party's complaint regarding the eligibility of Jose Roel Antonio Tagle as a candidate for House District 22. DOE has determined that the grounds cited in the complaint are beyond the scope of DOE's review. 6 AAC 25.260(c).

The complaint alleges that Mr. Tagle failed to report business interests and income on his Public Official Financial Disclosure (POFD) form. Candidates for state office must have disclosure forms on file when they file their declarations of candidacy. *See* AS 15.25.050(b); AS 39.50.020. The complaint seeks to disqualify Mr. Tagle under AS 39.50.060, which provides that those who do not comply with AS 39.50 "shall forfeit nomination to office and may not be seated or installed in office."

DOE cannot consider grounds related to issues over which the Alaska Public Offices Commission (APOC) has authority under AS 15.13. 6 AAC 25.260(c). Under AS 15.13.030(7), APOC has authority over statements required by AS 39.50. Accordingly, DOE cannot consider the grounds cited in the complaint. Mr. Tagle timely filed his POFD, any review of which would be within APOC's authority. Mr. Tagle has also not yet been nominated or elected to office. *See* AS 39.50.060(b).

Additionally, the complaint does not appear to include the "name, mailing address, contact phone number, and signature of the person making the complaint," as required by 6 AAC 25.260(b). The complaint is filed "on behalf of the Alaska Democratic Party" and includes its address and phone number yet it also lists your name and is signed by counsel. Nevertheless, DOE responds to this complaint because DOE did not note these deficiencies when the complaint was delivered on June 5, 2026.

This determination is a final decision and DOE will provide a copy of it and the complaint to Mr. Tagle. You have 30 days from the date of this decision to appeal to the superior court. 6 AAC 25.260(i); AK R. App. P. 601, 602.

Importance: High

Good afternoon, Mr. Tagle,

The issue of your recently filed [candidate POFD statement](#) has been brought to our attention. Your statement discloses no income and no business or financial interests, at all, for calendar year 2025 for you, your spouse, or your dependent children. **The purpose of this email is to request that you amend your statement to include all required financial and business information for calendar year 2025. Additionally, you must file a candidate registration (see attached letter).**

Under [AS 39.50.030](#) a candidate must file a statement disclosing their personal business and financial interests for the previous calendar year. The statement must be an accurate representation of your financial affairs and must disclose the same information for your spouse and dependent children, to the extent that it is ascertainable. Information that must be disclosed on your statement is as follows:

(1) for all sources of income over \$1,000 during the preceding calendar year, including taxable capital gains, and for all gifts from a single source with a cumulative value exceeding \$250 in a calendar year, received by the person, the person's spouse or domestic partner, or the person's dependent child,

(A) each source of the income or gift;

(B) the recipient of the income or gift;

(C) the amount of the income or value of the gift;

(D) a brief statement describing whether the income was earned by commission, by the job, by the hour, or by some other method;

(E) the approximate number of hours worked to earn the income; and

(F) unless required by law to be kept confidential, a description sufficient to make clear to a person of ordinary understanding the nature of each service performed and the date the service was performed;

(2) the identity, by name and address, of each business in which the person, the person's spouse or domestic partner, or the person's dependent child has an interest or

was a stockholder, owner, officer, director, partner, proprietor, or employee during the preceding calendar year, except that an interest of less than \$1,000 in the stock of a publicly traded corporation need not be included;

(3) the identity and nature of each interest in real property, including an option to buy, owned at any time during the preceding calendar year by the person, the person's spouse or domestic partner, or the person's dependent child;

(4) the identity of each trust or other fiduciary relationship in which the person, the person's spouse or domestic partner, or the person's dependent child held a beneficial interest exceeding \$1,000 during the preceding calendar year, a description and identification of the property contained in each trust or relation, and the nature and extent of the beneficial interest in it;

(5) any loan or loan guarantee of more than \$1,000 made to the person, the person's spouse or domestic partner, or the person's dependent child, and the identity of the maker of the loan or loan guarantor and the identity of each creditor to whom the person, the person's spouse or domestic partner, or the person's dependent child owed more than \$1,000; this paragraph requires disclosure of a loan, loan guarantee, or indebtedness only if the loan or guarantee was made, or the indebtedness incurred, during the preceding calendar year, or if the amount still owing on the loan, loan guarantee, or indebtedness was more than \$1,000 at any time during the preceding calendar year;

(6) a list of all contracts and offers to contract with the state or an instrumentality of the state during the preceding calendar year held, bid, or offered by the person, the person's spouse or domestic partner, or the person's dependent child, a partnership, limited liability company, or professional corporation of which the person is a member, or a corporation in which the person or the person's spouse, domestic partner, or dependent child, or a combination of them, hold a controlling interest; and

(7) a list of all mineral, timber, oil, or any other natural resource lease held, or lease offer made, during the preceding calendar year by the person, the person's spouse or domestic partner, or the person's dependent child, a partnership, limited liability company, or professional corporation of which the person is a member, or a corporation in which the person or the person's spouse, domestic partner, or dependent child, or a combination of them, holds a controlling interest.

Additionally, as a state candidate you were required to file a candidate registration within 15 days of filing your declaration of candidacy with the Division of Elections [[AS 15.13.060\(c\)](#)]. Our office issued a courtesy notice regarding this requirement on June 18, 2026, but to date, nothing has been filed.

It is our hope that you will take action and correct these deficiencies as soon as possible to avoid further formal action.

If you have any questions, or need assistance, please feel free to contact me directly, I am happy to help you.

Re: 2026 Candidate Public Official Financial Disclosure (POFD) Statement

Dear Mr. Tagle:

This letter serves as a follow up to my July 8, 2026, email to you regarding your Public Official Financial Disclosure filed on June 1, 2026. It has been brought to our attention that your statement discloses no income for you or your spouse or dependent children. Nor does your statement show any business or financial interests, at all, for calendar year 2025 for you, your spouse, or your dependent children. However, public records show that you have ownership interests in Alarcón and Associates, LLC, and Stardust, LLC.

Under [AS 39.50.030](#), a candidate must file a statement disclosing their sources income and personal business and financial interests for the previous calendar year. The statement must be an accurate representation of your financial affairs and must disclose the same information for your spouse and dependent children, to the extent that it is ascertainable.

Additionally, as a candidate for state office, you were required to file a candidate registration within 15 days of filing your declaration of candidacy with the Division of Elections (*see*, [AS 15.13.060\(c\)](#)). Our office issued a courtesy notice regarding this requirement on June 18, 2026, but to date, nothing has been filed.

Failure to comply with Alaska's financial disclosure laws may result in civil penalties.¹ You may also be subject to criminal penalties under [AS 39.50.060\(a\)](#) if it can be shown that you "fail[ed] to disclose required information within the time required in this chapter, or [. . .] provide[d] false or misleading information, knowing it to be false or misleading." Additionally, pursuant to [2 AAC 50.850\(h\)](#), if the Alaska Public Offices Commission finds that you have "failed to supply required information on a significant source of income, interest in real property, business interest, loan, or trust," the Commission may recommend to the Lieutenant Governor that your name be removed from the ballot or that your nomination not be certified.

¹ [AS 15.13.390](#); [AS 39.50.135](#)

To avoid further formal Commission action, you must update your POFD statement to include all reportable information for you, your spouse, and your dependent children for calendar year 2025 and you must file a Candidate Registration no later than 5:00 p.m., July 22, 2026. If you have no reportable income, or if the business interests described above are inaccurate, please contact our office.

If you have any questions, or need assistance, please contact our office so that we can assist you.

Memorandum

To: APOC Commissioners

From: Heather Hebdon, Executive Director

Date: August 12, 2026

Subject: Candidate POFD Compliance Under AS 39.5.060 and 2 AAC 50.850
Tregarrick Taylor

BACKGROUND

Pursuant to 2 AAC 50.850(h), staff shall prepare a list of each candidate for state . . . elective office who has not filed a complete [Public Official Financial] disclosure statement required under AS 39.50.020 and 39.50.030.” Staff will then provide notice of a meeting where the commission will consider the list.¹ “If the commission determines that a listed candidate has failed to supply required information on a significant source of income, interest in real property, business interest, loan, or trust, the commission will recommend . . . that the lieutenant governor . . . not certify the candidate’s nomination for office or election to office”²

In *Grimm v. Wagoner*, the Alaska Supreme Court noted, “substantial compliance is the appropriate standard for imposing the forfeiture remedy of AS 39.50.060(b).”³ Staff believes the question before the Commission is whether filing a disclosure without required information for a significant source of income, constituting more than 50% of Mr. Taylor’s reported income, constitutes substantial compliance for avoiding the forfeiture remedy.

APOC staff have not, in recent memory, compiled a list of filers without a complete financial disclosure as contemplated by 2 AAC 50.850(h). In the present matter, as well as two other matters before the Commission relating to 2 AAC 50.850(h), staff did not identify the filers before the withdrawal deadline for this primary election. It is unclear whether this is the first time there have been obvious deficiencies or rather, if it is the first time the issue has garnered public scrutiny and

been brought forward. In any event, despite the lack of recent precedent, staff is referring these candidates, whose POFD statements do not, or did not timely, substantially comply with their reporting requirements to the Commission and is recommending that the Commission consider whether to recommend that the Lieutenant Governor not certify the nomination of any of these candidates. Staff notes that the Division of Elections plans to certify the results of the primary election by August 31, 2026.⁴

FACTS

Tregarrick Taylor is a candidate for Governor in the August 18, 2026 State Primary Election. Staff identified Mr. Taylor as having failed to file a complete disclosure statement as required under AS 39.50.020 and 39.50.030. The basis for this determination is that Mr. Taylor's POFD statement did not provide information about his rental income when he first filed his candidate statement or within the 30-day grace period provided for in AS 39.50.060(b). Furthermore, his rental income is reported as "\$1,000,000 or more," which represents more than 50% of his disclosed income. Staff recommends that the Commission consider whether Mr. Taylor failed to timely disclose a significant source of income and whether the Lieutenant Governor should deny his nomination in the primary election.

On March 8, 2025, ahead of the annual POFD reporting deadline, Mr. Taylor requested an "exemption/waiver due to the inability to upload a file for rental income."⁵ On August 15, 2025, Staff referred this matter to the Commission, along with recommendation that "APOC exercise its discretion and grant a limited exception to electronic filing until such time that importing capabilities can be developed for the rental income schedule of the POFD form."⁶ On September 16, 2025, the Commission granted Mr. Taylor's request, and allowed Mr. Taylor to file "tenant information by alternative means."⁷ APOC subsequently implemented import capabilities for rental income information in October 2025.

On June 1, 2026, Mr. Taylor filed a 2026 Candidate POFD Statement.⁸ Mr. Taylor's statement indicated that he received an error message when uploading rental income information, and he would email the file directly to staff. No email was received by staff. On June 17, staff emailed Mr. Taylor to inform him of this error and asked him to provide the information.⁹ Staff further noted that import functionality had been implemented for rental income, provided a

template for importing, and noted that his tenant information should be uploaded through the online filing system.¹⁰ Staff received no response to that email and his statement was not amended.

On July 21, 2026, staff issued a notice of deficiency to Mr. Taylor notifying him that his statement failed to identify sources of rental income as required.¹¹ On July 23, Mr. Taylor's campaign sent an email to APOC with a list of tenants; Staff responded to the email noting the list needed to be uploaded online so the public could access it.¹²

On July 27, Mr. Taylor's 2026 Candidate statement was amended to include tenant information.¹³ The list that Mr. Taylor uploaded identified some tenants by their first name and first initial of their last name and some by only their first name (e.g. a person with the name "John Doe" is identified on Mr. Taylor's list as "John D" or simply "John") which does not appear to substantially comply with the requirement to identify his tenants as sources of income.¹⁴ Staff further notes that if Mr. Taylor desired to withhold tenant information from public disclosure, he was ordered to formulate his position in writing for Commission review.¹⁵ No such written request or position has been put forth.

While Mr. Taylor provided some of the information required, he did not do so by the June 1 deadline, or within 30 days of the June 1 filing deadline, contemplated under AS 39.50.060(b). To date, he still has not provided complete names of his tenants.¹⁶ His rental income of "\$1,000,000 or more," with approximately \$800,000 of other interests, represents more than 50% of his reported income. It is not clear to staff whether Mr. Taylor's partial compliance is sufficient to avoid the forfeiture remedy. Additionally, staff notes that Mr. Taylor is an experienced filer. He has filed POFD statements annually since 2019 and has sought relief from filing in the past.

On August 12, 2026, staff issued a meeting notice to Mr. Taylor and advised that the Commission would take up this matter at the hearing on August 26, 2026. This notice was sent to Mr. Taylor via email, certified mail, and first class mail to his address of record with APOC and the Division of Elections.

Good morning, Mr. Taylor,

On June 1, 2026, you filed a [2026 Candidate POFD Statement](#) through APOC's online filing system. The statement indicates that you received an error message when uploading your rental income schedule and that you would email the file directly to staff. However, it does not appear that income schedule was ever sent to our office, and we have received a public records request for the information.

Please provide information regarding your rental income to include: (1) if any person paid more than \$1,000 in rent during the preceding year, the name of that person and the amount of the rent paid; and (2) if the property is managed by a person other than the legislative branch filer, public official, candidate, or a family member of the legislative branch filer, public official or candidate, the name of the manager.

Additionally, now that the agency has developed import functionality for the rental income portion of the POFD statement, the information should be uploaded directly into the system so that it is available to the public. I am attaching the rental income import template. If you have difficulty uploading/importing the information, please reach out to our office so that someone may assist you.

Re: 2026 Candidate Public Official Financial Disclosure (POFD) Statement

Dear Mr. Taylor:

This letter serves as the second follow up from the Alaska Public Offices Commission (APOC) regarding your 2026 Candidate POFD Statement filed on June 1, 2026. A review of your statement indicates that it does not identify sources of rental income which you are required to disclose under law.¹

On March 8, 2025, you requested an “exemption/waiver due to the current inability to upload a file for rental income.” On August 15, 2025, APOC staff referred this matter to the Commission, along with the recommendation that “APOC exercise its discretion and grant a limited exception to electronic filing until such time that importing capabilities can be developed for the rental income schedule of the POFD form.” On September 16, 2025, the Commission granted your request and allowed you to file “tenant information by alternative means.” In October 2025, APOC enabled import functionality for tenant information required to be disclosed for POFD filers.

On June 1, 2026, you filed a candidate POFD Statement. The statement indicates that you received an error message when uploading your rental income schedule and that you would email the file directly to staff. However, that income schedule has not been received by our office. On June 17, 2026, I emailed you at info@tregforak.com and tregtaylor@gmail.com to notify you of this oversight and to ask that the information be submitted. I additionally informed you that the information should be uploaded directly to the electronic filing system so that it would be available to the public and provided you with the import template. To date, I have not received any response to that email, and your POFD has not been amended to correct this deficiency.

¹ AS 39.50.030; 2 AAC 50.725

Under 2 AAC 50.850(h), APOC staff must prepare a list of all filers who have not filed a complete candidate POFD for referral to the Commission. The Commission will consider the list and if the Commission finds that a candidate “failed to supply required information on a significant source of income [. . .].”, the Commission may recommend to the Lieutenant Governor that the candidate’s name be removed from the ballot or that the candidate’s nomination not be certified.

To avoid further formal Commission action, please update your POFD statement by 5:00 p.m., July 27, 2026, to include all reportable information including rental income. If you do not, APOC staff will inform the Commission of the deficiency, and the Commission may take action to recommend that the Lieutenant Governor not certify your nomination.

If you have any questions, or need assistance, please contact our office so that we can assist you.
