**TO:** APOC Commissioners  
**DATE:** August 21, 2025  
**FROM:** Kim Stone, Campaign Disclosure Coordinator  
**SUBJECT:** Staff Report, Complaint 25-02-CD,  
*David Long v. John Carr / Alaska Voter Coalition*

---

### **SUMMARY OF COMPLAINT AND RESPONSE**

Complainant David Long alleges Respondents John Carr and the Alaska Voter Coalition (AVC) violated campaign disclosure law by financing “a coordinated disinformation campaign” of defamatory attacks against multiple candidates by accepting a \$3,000 contribution from a second independent expenditure (IE) group, “Keep It Alaska,” whose true sources were Trenetie Yundt, Anthony Pitcher, and Robert Hall.<sup>1</sup> Respondents did not file an Answer to the complaint.

### **PRELIMINARY PROCEDURAL NOTES:**

- (1) A previous complaint, 24-13-CD, *Tom Oels v. Alaska Voter Coalition*, alleged campaign disclosure violations by Carr and AVC based upon the same or similar facts as are alleged in this complaint. APOC staff issued a report in 24-13-CD on August 20, 2025. While Long alleges additional violations by Carr and AVC, those additional violations were independently raised and addressed by APOC staff in its staff report in 24-13-CD. Accordingly, the result is that APOC staff’s analysis and findings in the two matters are nearly identical.
- (2) Also in this complaint, Long alleges violations of Alaska campaign disclosure law by the individual Joel Borgquist and an IE group that Borgquist chairs, Keep It Alaska. Long further alleges violations by Keep It Alaska Federal PAC. This Staff Report does not address these violations as Long did not name or serve Borgquist, Keep It Alaska

---

<sup>1</sup> Exhibit 1, Complaint.

IE group, or Keep It Alaska Federal PAC. However, Complainant Long properly named and served Borgquist and Keep It Alaska IE group in Complaint 25-03-CD, *Long v. Keep It Alaska*. A staff report in 25-03-CD issued August 13, 2025 and addresses the overlapping allegations against Borgquist and Keep It Alaska IE group. An additional complaint brought by Long against Borgquist and Keep It Alaska IE group in Complaint 25-04-CD remains pending.

- (3) While APOC staff’s analysis and findings concerning violations are nearly identical to those of 24-13-CD, this complaint was filed 11 days later. Because penalty accrual tolls when a complaint is filed, the penalties of this later-filed complaint would otherwise be slightly greater. However, APOC staff does not recommend penalties for the same violations beyond those already imposed in the earlier complaint. For ease of reference, APOC staff includes herein the penalty analysis and assessment of the earlier complaint 24-13-CD.

### **SUMMARY OF APOC FINDINGS**

APOC staff finds Respondents failed to file an independent expenditure (IE) report and additionally failed to include sufficient detail on its 7-day report concerning expenditures to the business that created and managed the digital (Facebook) ads. AVC also failed to report contributions and expenditures in its year-end report, failed to provide complete true source information on its 24-hour statement of contribution, failed to include supported candidates’ names in the AVC group name, and used false information in its paid-for-by identifiers.

### **FACTS**

#### *a. AVC’s campaign activities*

Beginning on October 24, 2024 and continuing through the November 5, 2024 General Election, digital campaign communications relating to Mat-Su area State House, Borough, and School Board races began appearing on Facebook.<sup>2</sup> The images included ads

disparaging candidates David Eastman (House District 27), Steve Menard (House District 28), Sheena Fort (Mat-Su Borough Assembly District 7), and Ben Kolendo (Mat-Su School Board District 1).<sup>3</sup> Various other ads supported Jubilee Underwood (House District 27), Elexie Moore (House District 28), Ron Bernier (Mat-Su Borough Assembly District 7), and Thomas Bergey (Mat-Su School Board District 1).<sup>4</sup> “Paid for by Alaska Voter Coalition” appears at the top of the ads. The ads appear to have this statement at the bottom, listing John Carr as AVC’s “[t]op [c]ontributors”.<sup>5</sup>

The publicly available Facebook ad library indicates a total amount spent of \$2,853 in the relevant time frame.”<sup>6</sup>

*b. AVC’s debt, expenditure, and income and AVC’s connections to Joel Borgquist, Red Dirt Campaigns LLC, Keep It Alaska, and Keep It Alaska Fed PAC*

Respondent John Carr registered AVC as an IE group on September 5, 2024, listing himself as Chair and Treasurer and naming no other officers.<sup>7</sup> The group listed “2024 – State General” as its only campaign plans and its purpose as “[t]o help elect candidates whose values align with our core principle of having common sense in our Government Leadership.” The group identified that “[m]ore than 1/3 of total spending” would go to candidates Robert Yundt and Jubilee Underwood.

On its 7-day report filed October 29, 2024, AVC still had \$0.00 beginning cash on hand and \$0.00 in income but reported incurring a \$3,000 debt for “campaign media, targeting, strategy, and analysis” on October 21, 2024 to Red Dirt Campaigns.<sup>9</sup>

The manager and registered agent of Red Dirt Campaigns LLC is Joel Borgquist.<sup>10</sup> According to its website, Red Dirt Campaigns “run[s] campaigns for candidates” and provides campaign planning and management, messaging, and digital ads among its services.<sup>11</sup> Borgquist also chairs an IE group, Keep It Alaska,<sup>12</sup> whose treasurer is Tom Datwyler. Datwyler is the treasurer for a federal PAC, “Keep It Alaska Fed PAC.”

The same day AVC incurred a \$3,000 debt to Red Dirt Campaigns (October 21), Keep It Alaska Fed PAC received \$1,000 of a \$3,000 contribution from true sources Trenitie Yundt and Anthony Pitcher,<sup>13</sup> with a \$2,000 contribution from true source Robert

## **LAW AND ANALYSIS**

Long’s complaint alleges Carr and AVC financed “a coordinated disinformation campaign, broadcasting demonstrably false and defamatory attacks against multiple candidates” by accepting \$3,000 from a second independent expenditure (IE) group, “Keep It Alaska,” whose true sources were Trenetie Yundt, Anthony Pitcher, and Robert Hall

APOC staff finds AVC violated Alaska campaign disclosure law by (a) failing to file an IE report showing its expenditure and the contribution made to it, (b) failing to

<sup>15</sup> [AVC 24-hour report](https://hickory.state.ak.us/ApocAdmin/Filings/ViewForm/45955?Type=570) filed December 13, 2024, <https://hickory.state.ak.us/ApocAdmin/Filings/ViewForm/45955?Type=570>.

<sup>16</sup> [Year-end report](https://hickory.state.ak.us/ApocAdmin/Filings/ViewForm/47030?Type=570) filed February 18, 2025, <https://hickory.state.ak.us/ApocAdmin/Filings/ViewForm/47030?Type=570>.

include sufficient detail of expenditures for campaign consultation services in its 7-day report, (c) failing to report contributions and expenditures in its year-end report, (d) failing to include full true source information in its 24-hour statement of contribution, (e) failing to identify supported candidates in its group name, and (f) falsely reporting of funding sources in campaign communications, as follows:

***(a) AVC failed to report its expenditure and the contribution made to it on an IE report within ten days***

Under Alaska campaign disclosure law, a group must fully report all expenditures made, incurred, or authorized by it, including the date and amounts, and separately file an IE report.<sup>17</sup> In its IE report, the group must identify the candidate supported or opposed by each expenditure and file it within 10 days.<sup>18</sup> An expenditure includes not only a purchase but also “a promise or agreement to purchase or transfer money” for the purpose of influencing the election of a candidate.<sup>19</sup> As the Alaska Supreme Court has noted,

The Commission’s regulations and manuals clarify that expenditures include both paid and incurred expenditures; they require expenditures to be reported when the deal in question is made, instead of when the expenditure is invoiced or paid.<sup>20</sup>

On October 21, 2024 AVC promised or agreed to purchase \$3,000 worth of campaign services from Borgquist’s Red Dirt Campaigns, LLC for “campaign media targeting, strategy, and analysis.”<sup>21</sup> AVC reported the purchase as a debt on its 7-day report filed October 29, 2024 but did not report the transaction on an IE report within 10 days, in violation of AS 15.13.040(e) and (h).

In addition to its expenditures, a group must include in its IE report the aggregate amount of all **contributions** made to it for the purpose of influencing the outcome of an

election, including the date and individual amounts of the contribution.<sup>22</sup> Alaska campaign disclosure law defines “contribution” broadly to include “a purchase, payment, promise or obligation to pay, loan or loan guarantee, deposit or gift of money, goods or services for which charge is ordinarily made.”<sup>23</sup> A regulation further defines “contribution” to include “a subscription, advance, transfer, forgiveness of all or part of a debt, relaxation of credit, or anything of value.”<sup>24</sup>

When AVC purchased \$3,000 worth of services on October 21, its contractor Red Dirt Campaigns commenced work almost immediately: the Facebook ads began appearing by October 24. At that time, AVC reported having **\$0.00** cash on hand, a status that remained unchanged until well after the election.

If AVC understood Red Dirt Campaigns to be donating its services, it was required to report the transaction as a \$3,000 non-monetary contribution within 24 hours.<sup>25</sup> As it did not, the transaction, providing “services for which charge is ordinarily made,” was a paid-for, monetary transaction. APOC staff finds, from AVC’s act of contracting \$3,000 worth of services when it had \$0.00 funds, that the group understood, knew, or was informed that it would eventually receive \$3,000 *from somewhere*. Whether AVC knew Borgquist’s IE group Keep It Alaska would contribute the money after the election (as it actually did, on December 12<sup>th</sup>), or whether AVC relied on a different source that would eventually pay for the services, is unknown – but also irrelevant. Circumstantial evidence overwhelmingly supports that AVC knew it would receive \$3,000 from somewhere. In *not reporting that contribution, and its source*, on its IE report, AVC violated AS 15.13.040(e)(5).

***(b) AVC failed to provide sufficient detail of expenditures as required by 2 AAC 50.321(d) on its 7-day report***

Alaska campaign finance regulation 2 AAC 50.321(d) requires candidates and groups to provide additional details for expenditures made “to an advertising agency or to

---

an individual or business that provides campaign consultation or management services.”<sup>26</sup> Under these circumstances, “the report must disclose in detail all services rendered, including the name of each business from which campaign goods or services were purchased or subcontracted or media advertising placed, and the amount of the expenditure.”<sup>27</sup>

APOC staff makes the preliminary finding that Red Dirt Campaigns falls within the ambit of 2 AAC 50.321(d) and the regulation’s reporting requirement that expenditures made to a business that “provides campaign consultation or management services.” AVC’s reporting of Red Dirt Campaigns’ services describes only “campaign media, targeting, strategy, and analysis.” Given that AVC messaging and ads had to first be designed and thereafter placed as Facebook posts or ads via Meta, and AVC incurred no debts or expenditures beyond those to Red Dirt Campaigns, logic guides the conclusion that Red Dirt Campaigns designed AVC’s ads, subcontracted Meta for advertising placement, and may have performed unknown additional services as well. In describing the purpose of the debt/expenditure only as “campaign media, targeting, strategy, and analysis,”<sup>28</sup> AVC failed to “disclose in detail all services rendered” including “services purchased” and “media advertising placed” rendering its 7-day report incomplete.

***(c) AVC failed to report on its year-end report the \$3,000 contribution from Keep It Alaska and the \$3,000 expenditure reconciling its debt to Red Dirt Campaigns***

Alaska campaign disclosure law requires AVC, an IE group, to report contributions and expenditures.<sup>29</sup> Under AS 15.13.040(b)(2) and (3), a group must fully report:

(2) the aggregate amount of all contributions made to it; and, for all contributions in excess of \$100 in the aggregate for a year, the name, **address, principal occupation, and employer of the contributor**, and the date and amount contributed by each contributor; for purposes of this

<sup>26</sup> 2 AAC 50.321.

<sup>27</sup> 2 AAC 50.321(d).

<sup>28</sup> While AVC entered Red Dirt Campaigns’ services as a debt, the transaction is still an expenditure that must be described in accordance with 2 AAC 50.321(d).

<sup>29</sup> AS 15.13.040.

paragraph, “contributor” means the true source of the funds, property, or services being contributed; and

(3) the date and amount of all contributions made by it and all expenditures made, incurred, or authorized by it.<sup>30</sup>

On its year-end report, AVC failed to report the \$3,000 contribution from Keep It Alaska and its true sources Yundt, Pitcher, and Hall that occurred December 12, 2024. A corollary of AVC’s failure to report the contribution on its year-end report is that its true sources’ addresses, principal occupations, and employers did not appear anywhere in AVC’s APOC reporting. Withholding this identifying information makes it difficult or impossible for the voting public to understand or recognize the identities of those who contribute, and particularly so where AVC misspelled one of the true source names as “Pitvher” such that it could not be identified.

AVC’s year-end report also failed to identify the \$3,000 expenditure to Red Dirt Campaigns. As AVC started with no cash on hand, its only contribution was \$3,000 from Keep It Alaska, its only debt was to Red Dirt Campaigns, and its year-end report showed \$0.00 cash on hand, logic compels the conclusion that Keep It Alaska’s \$3,000 contribution paid for the debt owed to Red Dirt Campaigns. On its year-end report, AVC failed to report the \$3,000 expenditure that would have reconciled the debt.<sup>31</sup>

AVC’s failure to report the \$3,000 contribution and \$3,000 expenditure rendered its year-end report incomplete in violation of AS 15.13.040(b) and AS 15.13.110(a)(4).

***(d) AVC failed to provide complete true source information of the \$3,000 contribution on its 24-hour statement of contribution***

Once an entity making IEs in a candidate election receives contributions exceeding \$2,000 “from an individual, person, nongroup entity, or group” in a single year, AS

---

<sup>30</sup> AS 15.13.040(b)(2)-(3).

<sup>31</sup> AVC neglected to carry forward its year-to-date income and expenses on its year-end report, reporting \$0.00 in all areas. [Year-end report](https://hickory.state.ak.us/ApocAdmin/Filings/ViewForm/47030?Type=570) filed February 18, 2025, <https://hickory.state.ak.us/ApocAdmin/Filings/ViewForm/47030?Type=570>.

15.13.110(k) requires that entity to report the contribution within 24 hours.<sup>32</sup> The 24-hour report must identify “the true source, and all intermediaries” of the contribution:

“true source” means the person or legal entity whose contribution is funded from wages, investment income, inheritance, or revenue generated from selling goods or services; a . . . legal entity who derived funds via contributions, donations, dues, or gifts is not the true source, but rather an intermediary for the true source.<sup>33</sup>

While AVC filed a 24-hour report identifying a \$3,000 contribution from Keep It Alaska IE group, AVC provided no details beyond names of true sources Yundt, Pitcher, and Hall. Where a person discloses 24-hour contributions under AS 15.13.110(k), the report “must include . . . the following information”:

- (1) the date of each contribution;
- (2) the amount of each contribution;
- (3) the full name of the contributor;
- (4) a description of item or services contributed, if necessary; and
- (5) the full name of all intermediaries, if any, within the meaning of “true sources” under AS 15.13.400.<sup>34</sup>

AVC, in its 24-hour report, failed to identify how much of the collective \$3,000 individual true sources Yundt, Pitcher, and Hall contributed. Without this true source information, voters were deprived of the knowledge of what portion each contributed to Borgquist’s Keep It Alaska IE group on October 21, 2024,<sup>35</sup> the very day AVC – with no cash on hand – incurred a debt to Borgquist’s Red Dirt Campaigns. Without information detailing the amount of the individual contributions, voters could not learn the amount a candidate’s spouse contributed to a group whose listed purpose was to support that candidate, or how much a local school board member contributed to a group who ran ads opposing another school board member.

<sup>33</sup> *Id.*; AS 15.13.400(19).

<sup>34</sup> 2 AAC 50.270(d).

<sup>35</sup> [Keep It Alaska 24-hour report](https://hickory.state.ak.us/ApocAdmin/Filings/ViewForm/45953?Type=570) filed December 13, 2024, <https://hickory.state.ak.us/ApocAdmin/Filings/ViewForm/45953?Type=570>.

Informing the electorate “where political campaign money comes from and how it is spent” is foundational to Alaska’s campaign finance disclosure requirements.<sup>36</sup> Here, a group via strategic reporting disclosed a contribution only after the election and provided incomplete information of its true sources. By failing to include the individual contributions of its true sources on its 24-hour statement of contribution, AVC violated AS 15.13.110(k) and 2 AAC 50.270(d).

***(e) AVC failed to identify Robert Yundt and Jubilee Underwood as supported candidates in the AVC group name***

Alaska campaign disclosure law AS 15.13.050 mandates that a group that intends to contribute to or expend “33 1/3 percent or more of its funds” on behalf of one candidate must include “the name of the candidate” as “part of the name of the group.”<sup>37</sup>

AVC identified on its registrations that “more than 1/3 of total spending” would support candidates Robert Yundt and Jubilee Underwood, but at no time did AVC include Yundt’s or Underwood’s name in its group name. In failing to include the supported candidates’ names in its group name, AVC violated AS 15.13.050.

***(f) AVC falsely identified its funding source on its campaign communications***

Alaska campaign finance law requires that all communications be “clearly identified by the words ‘paid for by’” followed by the person’s name and address.<sup>38</sup> The communication must also identify the three largest contributors, if any, during the 12-month period before the date of the communication.<sup>39</sup> A person who makes an IE for a communication that supports or opposes a candidate for election to public office must comply with AS 15.13.090.<sup>40</sup>

<sup>36</sup> *Libertarian Party of Alaska, Inc. v. State*, 101 P.3d 616, 622-23 (Alaska 2004) (quoting *Messerli v. State*, 626 P.2d 81, 84-85 (Alaska 1980)).

<sup>37</sup> AS 15.13.050(b).

<sup>38</sup> AS 15.13.090(a).

<sup>39</sup> AS 15.13.090(c).

<sup>40</sup> AS 15.13.135.

AVC’s campaign messaging ads through Meta/Facebook appear to be the same postings as those on AVC’s Facebook page that first appeared in late October.<sup>41</sup> The Facebook/Instagram communications contained this “paid for by” message, identifying John Carr as the top and only contributor:

“Paid for by Alaska Voter Coalition, 4401 E. Country Fair, Wasilla, AK 99654-6644. Top Contributors are: John Richard Carr of Wasilla, Alaska. John Richard Carr, Chairman, approves this message. We certify that this ad is not authorized, paid for, or approved by any candidate.”

Additionally, AVC’s website at [alaskavotercoalition.com](http://alaskavotercoalition.com) contains the identical “paid for by” messaging identifying John Carr as the top and only contributor:<sup>42</sup>

Paid for by Alaska Voter Coalition, 4401 E Country Fair, Wasilla, AK 99654-6644. Top Contributors are: John Richard Carr of Wasilla, Alaska. John Richard Carr, Chairman, approves this message. We certify that this ad is not authorized, paid for, or approved by any candidate.

The problem, however, is that nothing in AVC’s APOC reporting indicates Carr contributed *any* amount of money to AVC, *ever*. As AVC’s chairperson, treasurer, and the individual filing AVC’s reports, Carr knew he was not a top contributor, or a contributor at all. When the ads began running October 24, 2024, AVC’s only income would have been from Yundt and Pitcher, who on October 21 had contributed – through intermediaries Keep It Alaska and Keep It Alaska Fed PAC – the funds that partially paid for the ads.<sup>43</sup> A truthful “paid-for by” identifier<sup>44</sup> at that time would have stated:

“The top contributors of Alaska Voter Coalition are Trenitie Yundt (city/state) and Anthony Pitcher (city/state).”

After October 28, when Robert Hall made his \$2,000 contribution (again, through intermediaries Keep It Alaska and Keep It Alaska Fed PAC), a truthful “paid for by” identifier<sup>45</sup> would have stated:

---

<sup>41</sup> Exhibit 3.

<sup>42</sup> Exhibit 4, Alaska Voter Coalition website and “paid-for-by” messaging at <https://alaskavotercoalition.com/>. APOC provides the website as illustration of the content of AVC’s “paid-for-by” messaging but finds no violation of AS 15.13 as it has no evidence the website contained “communications” as defined by AS 15.13.090 and AS 15.13.400.

<sup>43</sup> [Keep It Alaska 24-hour report](https://hickory.state.ak.us/ApocAdmin/Filings/ViewForm/45953?Type=570) showing Yundt’s and Pitcher’s October 21 contribution and Hall’s October 28 contribution, filed December 13, 2024, <https://hickory.state.ak.us/ApocAdmin/Filings/ViewForm/45953?Type=570>.

<sup>44</sup> AS 15.13.090(c).

<sup>45</sup> AS 15.13.090(c).

“The top contributors of Alaska Voter Coalition are Trenitie Yundt (city/state), Anthony Pitcher (city/state), and Robert Hall (city/state).

But the above examples are theoretical only – because at the time the Meta/Facebook messaging ran, AVC reported to APOC that it had **no** contributors and **no** funding. Thus, AVC’s calculated maneuvering with contribution reporting didn’t only result in a failure to report a contribution in a timely way, it resulted in the public not knowing who paid for the disparaging ads until well after the election, and only then if a person knew to search through APOC forms.

By not reporting the contributions that paid for the communications until December 13, after the messaging had run and the election was over, AVC circumvented Alaska campaign disclosure rules that required identification of its top contributors – Yundt, Pitcher, and Hall. AVC’s “paid for by” identification identifying its top contributor as John Carr was unquestionably incorrect, as Carr was never a contributor, and violated AS 15.13.090 and AS 15.13.135.

## **CONCLUSION**

APOC staff finds by a preponderance of the evidence that AVC violated Alaska campaign disclosure law by failing to file an IE report, failing to report contributions and expenditures in its year-end report, failing to include full true source information in its 24-hour statement of contribution, failing to include sufficient detail of expenditures to an advertising agency in its 7-day report, failing to identify supported candidates in its group name, and false reporting of funding sources in campaign communications.

## **MAXIMUM CIVIL PENALTIES**

As noted at the beginning of this staff report, Respondents’ violations of campaign disclosure law are the same as documented, analyzed, and assessed in an earlier complaint 24-13-CD, *Oels v. Alaska Voter Coalition*. While the penalty calculations would otherwise be slightly higher in this matter owing to its later filing date (and consequent additional days of penalty accrual), APOC staff recommends no penalties beyond those imposed in the earlier complaint for the same violations. For ease of reference, however, APOC staff

includes the below penalty assessment, analysis of mitigation factors, and ultimate recommendations of the earlier complaint 24-13-CD, as follows.

The maximum civil penalty for reporting violations, other than a 7-day report, is \$50 per day for each day the violation continues.<sup>46</sup> For 7-day reports, the maximum civil penalty is \$500 per day through the date of the election and \$50 per day thereafter.<sup>47</sup>

For purposes of calculating the penalty for the false “paid for by” violations, the violation period began the earliest date the communications were first disseminated, October 24, 2024, and continued through the election.<sup>48</sup> For purposes of calculating the penalty for failing to identify candidates (Yundt and Underwood) in a group name where the group states an intent to expend at least 1/3 of its funds on those candidates, the penalty runs from the time of registration. For the unfiled IE report, staff began the penalty accrual 10 days after the date it was due. For all violations, the accrual of penalties was tolled on December 27, 2024, the day the complaint was filed.<sup>49</sup>

<b>Violation</b>	<b>Dates of Violation</b>	<b>Total Days</b>	<b>Maximum Penalty</b>
Failure to file IE report (\$50)	10/31/24 - 12/27/24	57	\$2,850
7-Day General Report (pre-election) (\$500)	10/29/24 – 11/5/24	7	\$3,500
7-Day General Report (post-election) (\$50)	11/6/24 - 12/27/24	51	\$2,550
Incomplete year-end reports (\$50)	2/18/25	N/A	N/A
Incomplete (true source) 24-hour contribution report (\$50)	12/12/27 - 12/27/24	15	750
Failure to name supported candidates in group name registration (\$50)	9/5/24 - 12/27/24	113	\$5,650
Fraudulent “paid for by” messaging (\$50)	10/24/24 – 11/5/24	13	\$650

## **MITIGATION AND RECOMMENDATION**

When staff assesses a penalty, the starting point for calculating the penalty is 2 AAC 50.855. Carr previously chaired another IE group<sup>50</sup> and thus is not a first-time filer. No subsections of 2 AAC 50.855 apply to reduce the assessed penalty.

From there, regulations at 2 AAC 50.865 outline mitigating additional factors APOC may consider for other reductions in assessed penalties.

A civil penalty may be reduced by up to 50% if the person required to file is “an inexperienced filer,” defined as a person subject to a registration or reporting requirement for less than 365 days or engaged in a first election cycle.<sup>51</sup> As AVC with John Carr as its chairperson was engaged in its first election cycle, the penalties may be reduced by 50%.

A civil penalty may be reduced by a percentage greater than 50%, or waived entirely, if the penalty is significantly out of proportion to the degree of harm suffered by the public for not having the information.<sup>52</sup> The out-of-proportion definition includes where the penalty exceeds the value of the transactions that were reported late or, in the case of a 7-day report, exceeds twice the value of the transactions not reported or reported late.<sup>53</sup> Unique circumstances may also justify reducing or waiving the penalty.<sup>54</sup>

Using the above penalty assessment procedure of 2 AAC 50.855 and applying mitigating factors of 2 AAC 50.865 results in a recommended penalty of **\$4,165** as follows:

**For failing to file an IE report showing its expenditure and the contribution made to it**, the civil penalty of \$2,850 is reduced by 50% based upon the first election cycle mitigator, to **\$1,425**. As the penalty amounts to less than the value of the \$3,000 transaction, APOC does not find it significantly out of proportion to the degree of harm, and APOC staff finds no further basis for reduction.

<sup>50</sup> [Keep The Mat-Su Safe 2021 registration](https://hickory.state.ak.us/ApocAdmin/Filings/ViewForm/5401?Type=576), John Carr, Chair, filed October 12, 2021, <https://hickory.state.ak.us/ApocAdmin/Filings/ViewForm/5401?Type=576>.

<sup>51</sup> 2 AAC 50.865(a)(1)(B).

<sup>52</sup> 2 AAC 50.865(b)(5).

<sup>53</sup> *Id.*

<sup>54</sup> 2 AAC 50.865(b)(6).

**For failing to include sufficient detail of expenditures for campaign consultation services in its 7-day report** under 2 AAC 50.321(d), the civil penalty amounts to \$6,050. The civil penalty of is reduced by 50% based upon the first election cycle mitigator, to \$3,025. This amount does not exceed twice the value of the \$3,000 transaction that was insufficiently detailed,<sup>55</sup> but APOC finds unique circumstances justify lowering the penalty, in that APOC has been substantially reducing the penalty for other candidates with similar violations of 2 AAC 50.321(d). APOC staff therefore recommends reducing the penalty by 90% to **\$302.50**.

**For failing to report contributions and expenditures in its year-end report**, APOC does not assess a penalty in this staff report but instead will assess penalties through its civil penalty assessment procedure, as this complaint was filed before AVC's year-end report came due.

**For failing to include complete true source information in its 24-hour statement of contribution**, the civil penalty amounts to \$750, which is reduced by 50% based upon the first election cycle mitigator, to **\$375**. APOC finds no further basis for reduction given that AVC failed to provide *any* further information on its true sources on any APOC report where AVC should have provided it: an IE report, which it didn't file, or its year-end report, where AVC failed to include contribution information.

**For failing to identify supported candidates in its group name**, the civil penalty amounts to \$5,650, which is reduced by 50% based upon the first election cycle mitigator, to \$2,825. APOC staff finds some additional reduction in penalty is warranted for AVC's failure to include the names of supported candidates – Robert Yundt and Jubilee Underwood – in its group name.<sup>56</sup> Weighing on the side of reduction is that it does not appear AVC actually expended one-third of its funds on either candidate, instead appearing to support several additional candidates. However, the group's overall lack of reporting makes it impossible to determine how much the group spent on *any* candidate.

---

<sup>55</sup> 2 AAC 50.865(b)(5).

<sup>56</sup> 2 AAC 50.865(b)(6).

Additionally, the close connection between one of the candidates it pledged to support (Robert Yundt) and one of the three donors that provided the group’s sole financial support (Trenitie Yundt) weighs against a waiver. APOC staff thus recommends reducing the \$5,650 penalty by an additional 50% to **\$1,412.50**.

**For false reporting of funding sources in campaign communications**, the civil penalty amounts to \$650, which otherwise would be reduced by 50% based upon the first election cycle mitigator. But where evidence suggests deliberate non-reporting, the civil penalty may be increased to the maximum amount.<sup>57</sup> Here, APOC staff finds Respondent deliberately and falsely reported himself to be the group’s top contributor and finds no reduction in the **\$650** penalty for AVC’s “paid for by” messaging.

# **Campaign Finance Law Complaint against Alaska Voter Coalition: Systematic Violations, Dark Money Networks, and Coordinated Electoral Deception in the 2024 Election Cycle**

## **Introduction**

This complaint addresses egregious violations of Alaska campaign finance law by the Alaska Voter Coalition during the 2024 election cycle. The organization conducted a coordinated disinformation campaign, broadcasting demonstrably false and defamatory attacks against multiple candidates, most notably Representative David Eastman in House District 27. Investigation reveals these malicious activities were financed through an elaborate dark money network centered around the Yundt family—specifically Trenetie Yundt, spouse of Senator Rob Yundt—and various *Keep It Alaska* entities.

The severity and scope of Alaska Voter Coalition's apparent violations warrant immediate scrutiny. These include systematic failures to disclose debts and expenditures accurately, and deliberate obscurement of contribution sources. Of particular concern is the organization's intricate web of relationships with Red Dirt Campaigns, *Keep It Alaska Independent Expenditure Group*, and *Keep It Alaska Federal Super PAC*—connections that suggest a calculated effort to conceal funding origins through a labyrinth of affiliated entities.

The impact of Alaska Voter Coalition's deceptive practices extends beyond mere regulatory violations. Their carefully orchestrated campaign of misrepresentation and distortion materially influenced multiple election outcomes, undermining the integrity of Alaska's democratic process. These actions demand thorough investigation and appropriate enforcement measures to preserve the transparency mandated by state campaign finance laws.

Left unchecked, the tactics employed by Alaska Voter Coalition and its network of affiliated organizations pose an existential threat to Alaska's democratic institutions. When dark money groups can operate with impunity—concealing their true donors while launching coordinated attacks based on deliberate distortions—they rob Alaskans of their fundamental right to make informed decisions about their representation. Such manipulation of the electoral process corrodes public trust, discourages qualified candidates from seeking office, and ultimately threatens the very foundation of representative government in Alaska. The Commission's decisive action on this complaint is essential not only to address these specific violations but to protect the integrity of Alaska's electoral system for future generations."

## Overview of the Allegation

This complaint alleges that Alaska Voter Coalition violated Alaska campaign finance statutes and administrative codes by misreporting the true source of a \$3,000 contribution received on December 12, 2024, and by failing to ensure transparency and accuracy in the disclosure of campaign contributions. These violations pertain to AS 15.13.040(a), AS 15.13.400(19), and 2 AAC 50.258(a).

The facts of the case indicate that Alaska Voter Coalition accepted \$3,000 in “dark money (as defined in AS 15.13.400(5)) from a source that clearly does not exist.

1. Alaska Voter Coalition’s 12/13/2024 – 24 Hour True Sources Report indicates \$3,000 came from *Keep It Alaska IE Group* listing the True Sources as
  - a. Trenitie Yundt on 10/21/2024
  - b. Anthony Pitvher on 10/21/2024
  - c. Robert Hall on 10/28/2024
  - d. True Source requirements were disregarded as \$2,998 could have come from Trenitie Yundt, and \$1 from Pitvher and Hall respectively.
  - e. Which Trenitie Yundt contributed the undisclosed amount to Keep It Alaska? The wife of then candidate and now Senator Rob Yundt? Without fully compliant reporting, Alaskan cannot know for sure who is influencing their elections.
    - i. Likewise, which Robert Hall was the donor reported on the disclosure form? Robert Hall of Gorilla Fireworks fame, or Robert Hall of Hudson Wisconsin?
2. *Keep It Alaska Independent Expenditure Group’s* 12/13/2024 – 24 Hour Report indicates the same \$3,000 came from Keep It Alaska Federal SuperPAC, listing the True Sources of income as:
  - a. Trenitie Yundt on 10/21/2024
  - b. Anthony Pitvher on 10/21/2024
  - c. Robert Hall on 10/28/2024
3. Keep It Alaska Federal SuperPAC Reports of Receipts and Disbursements indicate the group never received nor released any such contributions.

## Timeline of Events

1. December 12, 2024: Alaska Voter Coalition reported receiving a \$3,000 contribution from *Keep It Alaska Independent Expenditure Group* via electronic funds transfer. The true source of the funds was listed as:
  - o Trenitie Yundt (10/21/2024)

- Anthony Pitvher (10/21/2024)
  - Robert Hall (10/28/2024).
2. December 12, 2024: *Keep It Alaska Independent Expenditure Group* disclosed that it received the same \$3,000 from Keep It Alaska Federal Super PAC. *Keep It Alaska Independent Expenditure Group* also listed the same individuals as true sources.
  3. Keep It Alaska Federal Super PAC Disclosures (2024): Review of Keep It Alaska Federal Super PAC's campaign finance reports shows no record of receiving contributions from Trenitie Yundt, Anthony Pitvher, or Robert Hall. This discrepancy suggests that the funds routed through *Keep It Alaska Independent Expenditure Group* to Alaska Voter Coalition do not originate from the listed true sources.

### **Harm to Alaskans**

The misrepresentation of the true source of campaign contributions undermines the transparency critical to Alaska's campaign finance laws. Voters rely on accurate disclosures to understand who is funding political activities and to assess potential influences on candidates or issues. Hiding the true source of funds erodes public trust, obstructs informed decision-making, and enables illicit contributions, potentially violating contribution limits or prohibitions on out-of-state or foreign funding.

### **Violations of Alaska Campaign Finance Law**

#### **1. Violation of AS 15.13.040(a): False Reporting of True Source**

Except as provided in (g) and (l) of this section, each candidate shall make a full report, upon a form prescribed by the commission,

(1) listing

(A) the date and amount of all expenditures made by the candidate;

(B) the total amount of all contributions, including all funds contributed by the candidate;

(C) the name, address, date, and amount contributed by each contributor; and

(D) for contributions in excess of \$50 in the aggregate during a calendar year, the principal occupation and employer of the contributor; and

(2) filed in accordance with [AS 15.13.110](#) and certified correct by the candidate or campaign treasurer.

#### **2. Violation of AS 15.13.400(19): Misrepresentation of the True Source**

"True source" means the person or legal entity whose contribution is funded from wages, investment income, inheritance, or revenue generated from selling goods or services; a person or legal entity who derived funds via contributions, donations, dues,

or gifts is not the true source, but rather an intermediary for the true source; notwithstanding the foregoing, to the extent a membership organization receives dues or contributions of less than \$2,000 per person per year, the organization itself shall be considered the true source.

- “True source” means the person or entity that originally provided the funds, property, or services. It excludes intermediaries or conduits who merely transfer funds.

**3. Use of Dark Money as defined in AS 15.13.400(5):**

“dark money” means a contribution whose source or sources, whether from wages, investment income, inheritance, or revenue generated from selling goods or services, is not disclosed to the public; notwithstanding the foregoing, to the extent a membership organization receives dues or contributions of less than \$2,000 per person per year, the organization itself shall be considered the true source;

- “Dark money” was used since the contribution sources were not disclosed to the public.

**4. Violation of 2 AAC 50.258(a): Use of Intermediaries to Obscure Source**

(a) A contribution must be made in the name of the true source of the money or thing of value. A person may not make a contribution using the name of another, or use a third-party conduit to obscure the true source of any money or thing of value contributed to a campaign. A contribution in the name of another prohibited by this section includes any contribution:

**1. Made at the Direction of Another Person:**

Includes contributions made at the direction of another person, such as a parent organization, subsidiary, division, department, branch, or local unit of a business, labor union, or group.

**2. Made by an Employee, Agent, or Other Person with Employer Assistance:**

Contributions made by an employee, agent, or other person if an employer, principal, supervisor, or contractor lends, pays, or advances money or anything of value to the employee, agent, or other person to contribute in a name other than the true source.

**3. Reimbursed Contributions:**

Contributions made by an employee, agent, or other person if an employer,

principal, supervisor, or contractor reimburses the employee, agent, or other person for the contribution in money or anything of value.

**4. Exceeding Limitations via Multiple Groups or Nongroup Entities:**

Contributions in a total amount exceeding the limitations in AS 15.13.070, if made to the same recipient by two or more groups or nongroup entities that:

- A. Share the majority of members of their boards of directors;
- B. Share two or more corporate or organizational officers, where:
  - i. "Officer" has the meaning given in AS 15.13.040(r)(2); and
  - ii. Includes a chief executive officer;
- C. Are owned or controlled by the same shareholders or members; or
- D. Are in a parent-subsidary relationship.

**5. Made Using a Gift for the Purpose of Contributing:**

Contributions made by a person who receives a gift of money or anything of value from a parent, spouse, or domestic partner for the purpose of making a contribution.

**6. Made from a Joint Bank Account Without Authorization:**

Contributions made by check from a joint bank account in the name of any joint account holder who does not either sign the check or authorize the contribution in writing at the time the contribution is made.

**7. Made with Funds from Undisclosed Sources:**

Contributions made with funds derived from contributions, donations, gifts, or dues whose source is not disclosed to the public at the time the contribution is made.

## **Requested Remedies**

1. Investigate the discrepancy in the reported true sources of the \$3,000 contribution.
2. Issue a formal determination of whether Alaska Voter Coalition, *Keep It Alaska Independent Expenditure Group*, or Keep It Alaska Federal Super PAC violated Alaska campaign finance laws by obscuring the origin of funds.
3. Impose penalties as authorized under AS 15.13.390, including fines for false reporting and additional corrective actions.

## **Potential Penalties for Alaska Voter Coalition**

Under **AS 15.13.390**, penalties for false or incomplete reporting may include fines of up to \$50

per day for late filings and additional monetary penalties if the violations are determined to be willful. APOC may also require Alaska Voter Coalition to correct its disclosures or refund the contributions in question.

### **Actions Against Keep It Alaska Independent Expenditure Group**

As an intermediary, *Keep It Alaska Independent Expenditure Group* may also face penalties under **AS 15.13.390** and **2 AAC 50.258(a)** for facilitating the obscuration of the true source of the funds. APOC should investigate whether *Keep It Alaska Independent Expenditure Group* knowingly failed to report accurate information and enforce appropriate corrective measures.

### **Supporting Documentation**

1. **Alaska Voter Coalition Disclosure Form** showing receipt of \$3,000 from *Keep It Alaska Independent Expenditure Group* and listing Yundt, Pitvher, and Hall as true sources.
2. **Alaska Voter Coalition Disclosure Form** showing debt of \$3,000 to Red Dirt Campaigns, operated by Joel Borgquist.
3. **Keep It Alaska Independent Expenditure Group Disclosure Form** showing receipt of \$3,000 from Keep It Alaska Federal Super PAC and listing the same true sources.
4. **Keep It Alaska Federal Super PAC Reports of Receipts and Disbursements** demonstrating no contributions from the named individuals were received during the periods indicated on Alaska Voter Coalition or *Keep It Alaska IE Group* Disclosure Forms.
5. **Group and Entity Registration Forms** showing the connections between the *Keep It Alaska IE Group*, Keep It Alaska Federal Super PAC and Red Dirt Campaigns centered on Joel Borgquist.

WASILLA — Wasilla City Councilman Steve Menard has publicly apologized for damaging a fellow councilman while on city bus home earlier this month.

The apology came during a telephone interview with Menard's regular city council meeting before the council adjourned to an executive session. That was to discuss his behavior at the Alaska Alcoholism League's annual meeting, which left the city paying up a large cleanup job for Menard's hotel room at the Westland Hotel.

Check out this Frontiersman article and really get to know who you're voting for.

Sheena Fort has been funded by Leftists such as Tam Boeve. Remember her? Tam tried to restrict our right to bear arms in the Valley and then we fired her!

Tam loves Liberals such as Bernie Sanders, Joe Biden, and Forrest Dunbar! Dunbar even donated to her! Why would someone like Tam support Sheena?

**SHEENA FORT is funded

Earlier this year, she changed her Voter Registration to Republican. Coincidence that she is now running for Mat-Su Assembly?

### CREATIVE BODY

Don't be fooled! She is NO Republican. She is supported by Far Leftist Tam Boeve who tried to restrict gun owners from expressing their rights!

Steve Menard Recall

f x e d i

WASILLA — Wasilla City Councilman Steve Menard has publicly apologized for damaging a Sitka hotel room while on city business earlier this month.

The apology came during a statement Menard made during Monday's regular city council meeting before the council adjourned to an executive session. That was to discuss his behavior at the Alaska Municipal League summer meetings, which left the city picking up a \$350 cleaning tab for Menard's hotel room at the Westmark Sitka.
